### Superintendent's Highlights

The district continues to increase teacher and student access to advanced technologies. Our technology goal is to advanced technologies. Our technology goal is to expand the Internet throughout the curriculum and promote new and innovative teaching styles.

The Idaho Education Association recognized Wendell Elementary School with an Excellence in Education Award for the second continuous year. The school is involved in revising academic goals and increasing parental involvement.

### Progress Towards Meeting District Goals

#### 1996-97 Goals

#### Progress

To continue with Onwards to Excellence curriculum goals

Wendell Elementary OTE committee members and staff have exceeded the long term goal of raising math scores in less than one year. Math will continue to be the area of emphasis with yearly goals and objectives.

To provide and implement technology into the elementary curriculum

Each building in the district will continue to work towards upgrading technological hardware, and will work towards the goals of networking the schools.

To continue to develop a Middle School concept of curriculum development and instruction

Team teaching of the curriculum was implemented and overall academic improvement was evidenced by standardized test scores.

To implement phase three of the High School's technology program

Computers and software have been provided to all teachers. In service training and classes have been offered on Windows '95, WordPerfect and the Internet. All computers will networked and connected to the Internet.
